INDEPENDENT AUDITORS' REPORT

To the Partners of
PTI Securities & Futures L.P.

We have audited the accompanying statement of financial condition of PTI Securities & Futures L.P., as of December 31, 2001 that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial position of PTI Securities & Futures L.P. as of December 31, 2001, in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statement taken as a whole. The information contained in the supplementary schedules is presented for the purpose of additional analysis and is not a required part of the basic financial statement, but is supplementary information required by Rule 17a-5(d) under Securities and Exchange Act of 1934 and Regulation 1.10 under the Commodity Exchange Act. Such information has been subjected to the auditing procedures applied in our audit of the basic financial statement and, in our opinion, is fairly stated in all material respects, in relation to the basic financial statement taken as a whole.

PTI SECURITIES & FUTURES L.P.

NOTES TO STATEMENT OF FINANCIAL CONDITION as of December 31, 2001

1. Organization and Business

PTI Securities & Futures L.P. (the "Partnership") was formed on December 11, 1991, pursuant to the Revised Uniform Limited Partnership Act of the State of Illinois. The Partnership is a registered securities broker-dealer with the Securities and Exchange Commission (the "SEC") and is a member of the National Association of Securities Dealers, Inc. The Company is also registered with the Commodity Futures Trading Commission (the "CFTC") as a non-guaranteed Introducing Broker and is a member of the National Futures Association. The Partnership solicits and accepts orders to buy or sell securities, equity options, futures contracts and futures options but does not accept money or other assets to support such orders. The Partnership also engages in the proprietary trading of securities and futures instruments.

2. Summary of Significant Accounting Policies

Revenue Recognition

Commission revenue and related expenses on futures and futures options contracts are recorded on a "half-turn" basis, which is the date when the futures contracts are opened or closed and when futures options contracts are initially purchased or sold. Commission revenue and related expenses on securities and securities options are recorded on a trade date basis.

Depreciation

Furniture and equipment is being depreciated over the estimated useful lives of the assets using the straight-line method.

Income Taxes

Federal income taxes have not been provided for as each partner is individually liable for the taxes, if any, on his share of the Partnership's income and expenses.

Statement of Cash Flows

For the statement of cash flows, cash is defined as cash and cash equivalents with maturities of less than three months.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and the accompanying notes. Management determines that the estimates utilized in preparing financial statements are reasonable and prudent. Actual results could differ from these estimates.

PTI SECURITIES & FUTURES L.P.

NOTES TO STATEMENT OF FINANCIAL CONDITION, Continued as of December 31, 2001

3. Minimum Capital Requirements

The Partnership is subject to the SEC Uniform Net Capital Rule 15(c)3-1 and CFTC Regulation 1.17, and has elected to use the basic method as permitted by these rules. Under these rules, the Partnership is required to maintain "net capital" equal to \$30,000. At December 31, 2001, the Partnership had net capital and net capital requirements of \$337,645, and \$30,000, respectively.

4. Clearing Agreements

The Partnership has entered into fully disclosed clearing agreements with Ernst & Company ("Ernst"), Man Financial, Inc. ("MFI") and R.J. O'Brien & Associates Inc. ("RJO"), whereby Ernst will offer certain clearing, execution and related services for transactions in securities and whereby MFI and RJO will offer certain clearing, execution and related services in futures. The Partnership is required to maintain a deposit of \$100,000 in cash or government securities with Ernst and deposits of \$50,000 each in cash or government securities with MFI and RJO.

5. Related Party Transactions

The Partnership has a receivable from a related broker-dealer. This related broker-dealer's liabilities exceed its assets and it therefore intends to pay its creditors approximately 50% of the amounts owed. The Partnership has therefore reduced its receivable by \$10,000 in anticipation of the bad debt write-off.

6. Litigation

During 1999, an arbitration was filed before the National Association of Securities Dealers, Inc. by a group of thirty-nine Claimants against the Company asserting that the Company was liable for losses suffered as a result of the Claimants' participation in an options trading program with non-parties to the action. The Claimants were originally seeking compensatory damages of \$2 million and punitive damages of \$4 million. The Claimants originally sued another broker-dealer, but have since settled their claims with the other broker-dealer and have dismissed the other broker-dealer from the action. On September 18, 2001 the Company filed a counterclaim seeking its costs and attorneys' fees from all of the Claimants. As of December 31 2001, the claims of all but nine of the original thirty-nine Claimants had been dismissed. On January 25, 2002, the Company offered to dismiss its counterclaims against all of the original Claimants in exchange for a reciprocal dismissal of the remaining claims. On February 1, 2002, the Company's settlement offer was accepted by the Claimants' counsel on their behalf.

**INDEPENDENT AUDITORS' REPORT
ON INTERNAL CONTROL**

To the Partners of
PTI Securities & Futures L.P.

In planning and performing our audit of the statement of financial condition of PTI Securities & Futures L.P. (the "Company") as of December 31, 2001, we considered its internal control structure, including procedures for safeguarding customer and firm assets, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statement and not to provide assurance on the internal control structure.

Also, as required by rule 17A-5(g)(1) of the Securities Exchange Commission (the "SEC"), we have made a study of the practices and procedures followed by the Company, including tests of such practices and procedures that we considered relevant to the objectives stated in 17a-5(g), in the following:

1. Making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and the reserve required by rule 15c3-3(e)
2. Making the quarterly securities examinations, counts, verifications, and comparisons, and the recordation of differences required by rule 17a-13
3. Complying with the requirements for prompt payment for securities under section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System
4. Obtaining and maintaining physical possession or control of a fully paid and excess margin securities of customers as required by rule 15c3-3

In addition, as required by Regulation 1.16(d) of the Commodity Futures Trading Commission (the "CFTC"), we have made a study of the practices and procedures followed by the Company, that we considered relevant to the objectives stated in Regulation 1.17. We did not perform any testwork on the daily computations of the segregation requirements of section 4d(2) of the Commodity Exchange Act and the regulations thereunder, and the segregation of funds based on such computations or the daily computations of the foreign futures and foreign options secured amount requirements pursuant to regulation 30.7 of the Commission since the Company did not handle any customer cash or securities during 2001.

The management of the Company is responsible for establishing and maintaining an internal control structure and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures, and of the practices and procedures referred to in the proceeding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's and the CFTC's above-mentioned objectives. Two of the objectives of an internal control structure and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principals. Rule 17a-5(g) and Regulation 1.16(d)(2) lists additional objectives of the practices and procedures listed in the proceeding paragraph.

Because of inherent limitations in any internal control structure or the practices and procedures referred to above, errors or irregularities may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate. Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving the internal control structure, including procedures for safeguarding securities, that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC and the CFTC to be adequate for their purposes in accordance with the Securities Exchange Act of 1934 and the Commodity Exchange Act and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2001 to meet the Commissions' objectives.

This report is intended solely for the information and use of management, the SEC, the CFTC, and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 or Regulation 1.16(d) of the CFTC, and should not be used for any other purpose.
